

HASTY LACE® SNOWFLAKE CARD

You can use the first set of diagrams below to make this particular design with the two Snowflake Strips (SS1 and SS2). You can also use the diagrams as an example to spark some design ideas of your own. The possibilities are truly endless!

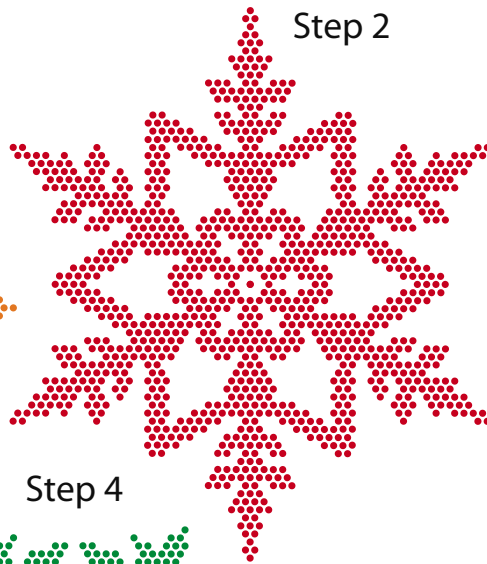

These two snowflakes will stay centered as each part is added.

Step 2

Step 3

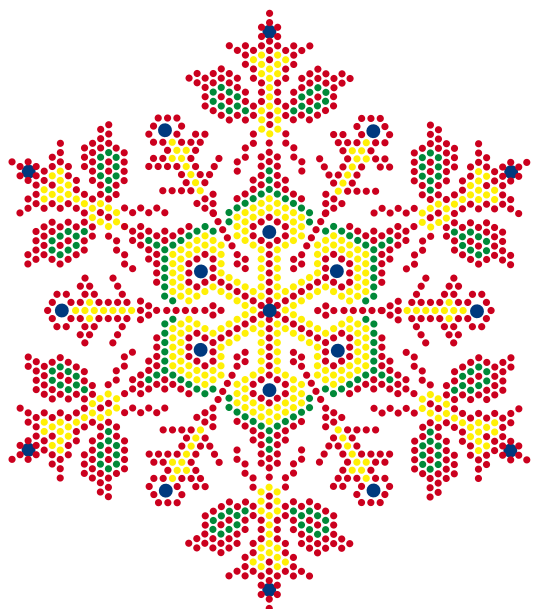

Step 4

These two snowflakes will move as each branch is added.

We also have a Snowflake template (SS3) with this design. The holes are already in place: you only need to decide which tools to use.

- Emboss
- Arrow
- Single Needle
- Glitter
